God Sent You

Many nights I cried,
I felt so alone,
Everyday I pray,
For someone to call my own

But when you came,
My whole world changed, ooh

~Chorus~
God sent you,
To love and comfort me,
To stay with me,
God sent you,
To love and cherish me
Your the only man I need
mmm, the only man

Someone must have planned,
For you and I to meet,
Some may say it's crazy love,
But I know your my destiny

Sent from above,
This precious love

God sent you,
To love and comfort me,
God sent you
To love and cherish me
Your the only man I need
Your the only man I need

ooh,
Your always there, oh yes
Your my answered pray

God sent you
To love and comfort me
ooh, won't you stay with me

God sent you
To love cherish me
ooh, yes your the only man I need
God sent you
To love and comfort me
ooh stay with stay with me, oh yeah
God sent you
To love and cherish me
Your the only man I need
