I just canç£~ help it but I think itç£€ be swell.
Rot in the street and noone would care to tell.
The nuns fucked around and the cops were on crack.
A world in a state that was far beyond fucked.

SPREAD THE WORD THAT ALL IS COOL.
ITç£" SAFE TO BREAK THE RULES.
THEM DOWN IN THE TANK JUST KILLING TIME.
BRING THEM THE NEWS OF LEGAL CRIME.

I just donç£~ get it who needs the police.
Sick people reign and theyç£–e still walking free.
Look around thereç£— a crime in the raw.
Who needs rules when there is no law.

SPREAD THE WORD THAT ALL IS COOL.
ITç£" SAFE TO BREAK THE RULES.
THEM DOWN IN THE TANK JUST KILLING TIME.
BRING THEM THE NEWS OF LEGAL CRIME.

I may be stupid but I think weç£€ get by.
The way I am I would never kill a guy.
But lock me up feed me distrust.
Iç£I stab the first hooker with a kingsize bust.

SPREAD THE WORD THAT ALL IS COOL.
ITç£" SAFE TO BREAK THE RULES.
THEM DOWN IN THE TANK JUST KILLING TIME.
BRING THEM THE NEWS OF LEGAL CRIME.
