Supercharged and ready to go.  
Patience fails, itç£— way too slow.  
On the road in black and white.  
Rope of flesh, just take a bite.  
Breaking laws but still no cop.  
Only slowing down for a quick pitstop.  
Itç£— warm as hell but all is cool.  
Nothing shakes a true road ghoul.

BUCKLE UP AND PRAY HEAD HONCHO  
YOU HIT THE ROAD WITH A MOTORPSYCHO.  
PREPARE YOURSELF FOR ACTION HIGH.  
ONE RAD RIDE BEFORE ITç£" GOODBYE.

Stoptlight boogie, a roar from Hades.  
You get no air, the pavement fades.  
A ride that sucks your dentures out.  
This is what itç£— all about.  
A foot of lead, no sign of fear.  
One wrong decision and youç£—e out of here.  
The screeching sound of Kelsey-Hayes.  
Finishes of this chickenrace.

BUCKLE UP AND PRAY HEAD HONCHO  
YOU HIT THE ROAD WITH A MOTORPSYCHO.  
PREPARE YOURSELF FOR ACTION HIGH.  
HEADING FOR DESTRUCTION IN FINEST STYLE.
