Preparation took long but now it feels just right.  
Had to make a few calls to make sure it'd be a helluva  
night.  
Jumped into my sneakers, stopped by at a couple of  
bars.  
Now line up the action, I got my shoes with the punk  
rock stars.

You know that you just can't be beat  
Gonna meet the guys with the itchy feet.  
And you end up laughing in the backseat  
It's back to normal here at the Powder meet.

Drawbacks are few when you're leaving for a night on  
town.  
Hungry for kicks, just want it all to spin round and  
round.  
Hitching a ride and got served up a little treat.  
The radio is blasting and it's no question that we own  
the street.

You know that you just can't be beat  
Gonna meet the guys with the itchy feet.  
And you end up laughing in the backseat  
It's back to normal here at the Powder meet.

Drawbacks are few â€¦!

It's a bumpy ride but it's a night that noones wants to  
end.  
If you got the goods be sure we've got the money to  
spend.  
Staying up till the morning on our quest for top speed.  
When we get the stuff you'll never see us go to seed.
