This car is a jinx and thatç£— why itç£— mine.
I need that tension to pass the time.
At maximum speed on a curving road.
Thatç£— when you live just go, go, go.

A BASIC URGE, THE CHEAPEST OF THRILLS
I WONç£© SLOW DOWN 'cause ITç£” THE PACE THAT
KILLS.

Your life is a dead end, your time is up.
Strip your car and just rev it up.
Nothing gets you going like mortal fear.
And screaming tyres when you forget to steer.

A BASIC URGE, THE CHEAPEST OF THRILLS
I WONç£© SLOW DOWN 'cause ITç£” THE PACE THAT
KILLS.

You tear up the asphalt and go full tilt.
Itç£— bad for the trees but why feel guilt ?
Youç£»e got a 426 and four on the floor.
Youç£—e doing 100 but you know thereç£— more.
