Let me tell you a story about the trouble I start.
When bad things happen I always play a part.
I'm a bad karma magnet, it's sad but true.
I have a masters degree in leaving people blue.
If you stick around, something will go bad.
I burn and ruin things like a man gone mad.

I wreck the scene, destroy the show.
If you want your health I suggest you'll go.
Now you get the news from the source, a good quarter.
I'm a walking nightmare, I'm a troublestarter.

Let me she'd some light on, some things gone wrong.
When things go well, they don't stay that long.
I'm a bad karma magnet, it's sad but true.
I hate to be this way but there's not much to do.
Let me give you the word, on my pure bad luck.
It has become so bad, now I don't give a fuck.

I wreck the scene, destroy the show.
If you want your health I suggest you'll go.
Now you get the news from the source, a good quarter.
I'm a walking nightmare, I'm a troublestarter.

Mr Matt E. Tude does his thing, just freestylin' ...

I wreck the scene, destroy the show.
If you want your health I suggest you'll go.
Now you get the news from the source, a good quarter.
I'm a walking nightmare, I'm a troublestarter.
