That chrome thing was swingin?She lit it with a pout.  
But she put it in her pocket  
And forgot to put it out.  
That woman gave me fire  
And wrestled with the best.  
You can call me a liar  
But her legs look pretty messed.

THE ZIPPO WAS SHINING  
AND SO WAS HER SMILE  
AND ALL THAT SHE SMOKES  
IT WAS LIT UP WITH STYLE.  
YOU GÖT TO ADMIT IT  
IT WÖULD LOOK PRETTY SICK  
IF THE CUTEST OF GIRLS  
WÖULD BE ARMED WITH A BIC.

She swunged it so classy.  
An extension of her arm.  
She was raised on top fuel.  
And cramful of charm.  
Crippled by coolness.  
But on top of my bill.  
She won't knit a sweater.  
She's got other skills.

THE ZIPPO WAS SHINING  
AND SO WAS HER SMILE  
AND ALL THAT SHE SMOKES  
IT WAS LIT UP WITH STYLE.  
YOU GÖT TO ADMIT IT  
IT WÖULD LOOK PRETTY SICK  
IF THE CUTEST OF GIRLS  
WÖULD BE ARMED WITH A BIC.
