You were in my arms each night
When I hold my pillow tight
I'm just dreamin' about you
Always dreamin' about you

Though we are so far apart
You were there inside my heart
When I'm dreamin' about you
Always dreamin' about you

Sunny days are one way too
Skippin' down the avenue
Happy dreamin' about you
Always dreamin' about you

Why should I be feelin' blue
When there's memories of you
Keep me dreamin' about you
Always dreamin' about you

Time after time
You're still on my mind
Life will never be the same
Down until we meet again

'Closed my eyes, were together
Oh, it's like a dream come true
'Closed my eyes I'm in heaven
When I'm dreamin' about you

Mile after mile
You still make me smile
Gazing on the lover's moon
Do you dream about me too

'Closed my eyes, were together
Oh, it's like a dream come true
'Closed my eyes I'm in heaven
When I'm dreamin' about you

You were in my arms each night

When I hold my pillow tight
I'm just dreamin' about you
Always dreamin' about you
