Takin' over the night
We've got some pride
Ridin' on the music
We've got some love
Hope you feel it too
Don't you wanna feel
Your heart sparkle as it rolls?

Feeling high!
Feeling the boogie-woogie
Doesn't always happen you know, this twinklin'-and
rollin'

Because it's special!
Because it's special!

You feeling some stress are you?
Well, don't let it grow
We're feeling fine
Groovy groovy groovy!

Cause we've got the best cure
It's special
It's awesome

Standin' up right
We've got some pride
Stretchin' our arms out wide
We've got some love
Everything's OK!

Takin' over the night
Ridin' on the music
Ridin' on the night
With the power of music

We can go further oh yeah
To the edge of the world
Even to the moon
Cause we're feeling high
Nothing to hold us back

It's so special
Yeah it's so damn special

Takin' over the night
We've got some pride
Ridin' on the music
We've got some love

Hope you feel it too
Hope the city feels it
And the village too
