Well you're texting me on a Friday night
But I'm out with the girls, got my hair color right
So I just hit erase on my hot pink phone
But you just keep on sending 'em cause you're all alone

Don't call me if you listen to country
Don't call me if you listen to modern soul
Don't call me if you like that hip-hop, no
But you can call me what you like if you like rock-and-roll

There's a hundred people trying to get in the club
But we walk by 'em 'cause we push and we shove
The music's so bad, we gotta slap the DJ
We take over the decks and everything is okay

Baby, don't you know that we don't roll like that
Baby, don't you know that we don't roll, roll, roll

Don't call me if you listen to country
Don't call me if you listen to modern soul
Don't call me if you like that hip-hop, no
But you can call me what you like if you like rock-and-roll

Ooh, ooh, we ain't no country girls
Ooh, ooh, we ain't no urban girls (Yeah!)
Ooh, ooh, we ain't no harujuku girls (B-A-N-A-N-A-S!)
Ooh, ooh, we're just straight up rock-and-roll!

Don't call me if you listen to country
Don't call me if you listen to modern soul
Don't call me if you like that hip-hop, no
But you can call me what you like if you like rock-and-roll

Don't call me if you listen to country
Don't call me if you listen to modern soul
Don't call me if you like that hip-hop, no
But you can call me what you like if you like rock-and-roll
Call me what you like if you like rock-and-roll

Don't call me if you listen to country
Don't call me if you listen to modern soul
Don't call me if you like that hip-hop, no
But you can call me what you like if you like rock-and-
roll
Call me what you like if you like rock-and-roll
Call me what you like if you like rock-and-roll
