She turned her nightlight on and blew him a kiss.
He stared back through with green Crayola eyes.
She traced his likeness from the back of a disc.
Next to her promise of the biggest prize.
Oh!
She's joining a fan club with her friends.
Filling her bathtub with tee shirts and 8 x 10's.
He looks dreamy,
She's in love from afar.
When she's picking up a fallen star.
Downstairs the late show's blasting 'age of the rock'.
The monks song playin' last Sunday at the milky way.
Mom's writing checks to the priest and the church
singing 'dig down deep'.
'Cause if you wanna get to heaven all you gotta do is
pay to pray.
She's joining a fan club with her friends.
Filling her bathtub with Holy water and amens.
He looks so dreamy,
She's in love from afar.
When she's picking up a fallen star.
She's joining a fan club with her friends.
Filling her bathtub with tee shirts and 8 x 10's.
He looks dreamy,
She's in love from afar.
When she's picking up a fallen star.
Picking up a fallen star.
Shake!
Shake that woody.
Promise St. Pinocchio.
You've paid your money, now watch that money grow.
She's joining a fan club with her friends.
Filling her bathtub with tee shirts and 8 x 10's.
He looks dreamy,
She's in love from afar.
When she's picking up a fallen star.
Joining her fan club, big mistake.
I still get heartburn thinking of the stamps I ate.
But I loved you,
Before fate crashed his car.
Say a prayer for the fallen star.

I wish for a fallen star-
-aaaarrrrr.
