Nagare nagare te kita mon da
Kita kara nishi e kake nuke te kite
Tadori tsui ta koko wa ittai doko

Karada wa yake ni karu ku naru
Too kude min na tema neki shiteru
Hata mata koko wa ten goku ka chi no hate ka

So kawaii hito yo kocchi e kite o kure
Maa boku no hana shi o kika nai ka
Mata kawaii hito ga warette kure ru nara
Saa itte miyu oka yume no kuni

Sakura mai chiru hana fubu ki
No koe yama koe kaki wake te kite
Yasa shiku sarete sonoki ni natte
