When there's trouble you know who to call, Teen Titans
From their tower they can see it all, Teen Titans
When there's evil on the attack
You can rest knowing they got your back
'Cause when the world needs heroes on patrol

Teen Titans, Go

With their super powers they unite, Teen Titans
Never met a villain that they liked, Teen Titans
They've got the bad guys on the run
They'll never stop 'til their job gets done
'Cause when the world is losing all control

Teen Titans, Go

Teen Titans, Go

If your heart is black you better watch out
You can not escape the team
When they catch you there won't be any doubt
You've been beaten by the teen...
Beaten by the teen...
