Things changed when you went away,
but tomorrow's another day.
And now you're back, I'm someone new, from our last
kiss it seems that you are too.

I guess I'll have to wait and see.
When the...

Sunsets and your head rest upon my shoulder.
We'd call her.
Plant a kiss in cable cars, but no it can't go further.

It's another Sunday afternoon, it's hot outside, it's
hotter here with you.
Today's sunset I was with you, but tomorrow is
someone new.

I guess I'll have to wait and see.
When the...

Sunsets and your head rest upon my shoulder.
We'd call her.
Plant a kiss in cable cars, but no it can't go further.

Sunsets and your head rest upon my shoulder.
We'd call her.
Plant a kiss in cable cars, but no it can't go further.

Looking back at the things you've done, I know it can't
go further.
Looking back at the things I've done, I don't know why?
I can't tell you.

Sunsets and your head rest upon my shoulder.
We'd call her.
Plant a kiss in cable cars, but no it can't go further.

Sunsets and your head rest upon my shoulder.
We'd call her.

I'm not coming back.
