So you don't think that we are speacial, yeah you don't
have a clue
What it takes just to be different
Yeah it's not up to you, how we look and how we're
acting,
You can't explain why... Why we're in it yeah...
Why we're really in it!

Dad and Mum hope you're happy that we're happy.
Everything's going fine, I wont screw up this time
Dad and Mum hope you're happy that we're happy.
Everything's going fine, I wont screw up this time

In a band, yeah it ain't easy as it seems to be.
We're not in it for the money, we're doing it for free
Hope you see that what we're doing is what we wanna
do
I hope you know that why we are in it, is not up to you

Dad and Mum hope you're happy that we're happy.
Everything's going fine, I wont screw up this time
Dad and Mum hope you're happy that we're happy.
Everything's going fine, i wont screw up this time...

You're seeing me, how you want to,
But that's not what i want to...
Do we can't make plans of our life.... Make plans of our
life
You can't see just what we've done

Dad and Mum hope you're happy that we're happy.
Everything's going fine, I wont screw up this time
Dad and Mum hope you're happy that we're happy.
Everything's going fine, i wont screw up this time...
