Farewell to everything i had
everything i ever wanted, needed
lost upon the way

Farewell to everyone i loved
everyone i ever care for

Now im gone, and im still moving on
no more memories, no more memories
inside my head and i feel dead

Now im gone, and im still moving on
no more memories, no more memories
inside my head and i feel dead

Now im gone....

Farewell to lust, farewell to hate
farewell to kisses on first date
farewell to everyone who ever met a date

Farewell to everyone i love
everyone i ever care for

Now im gone, and im still moving on
no more memories, no more memories
inside my head and i feel dead

Now im gone, and im still moving on
no more memories, no more memories
inside my head and i feel dead

Now im gone.

Now im gone, and im still moving on
no more memories, no more memories
inside my head and i feel dead

Now im gone, and im still moving on
no more memories, no more memories
inside my head and i feel dead

Now im gone...
Now im gone...
