We use to go for coffee and we use to go to talk,
Remember times we use to share and soon they'll all
be gone

Sunny days and summertimes wont be the same again,
You've gone away, not fade away
There's no telling when...

Things will be the same,
You're gone and i'm here to stay
I'm going away,
My feeling will not change
Friends forever, Give or Take

First day at school walked into class,
To all those staring eyes
They looked at me so differently, I can't imagine why
I had to leave my home and friends, to come to this
place
Things are strange i feel the pain, i do not feel the
same

Things will be the same,
You're gone and i'm here to stay
I'm going away,
My feeling will not change
Friends forever, Give or Take

Things will not change
And still we'll feel the same

Things will be the same,
You're gone and i'm here to stay
I'm going away,
My feeling will not change
Friends forever, Give or Take
