Got money owing  
Best I get goin' from here  
My bills are growin  
So much that I can't get clear  
I'll pack the car now  
And I'll drive so far from here  
I think I'll leave town  
And I'll drive so far from here (so far from here)

I need to go away  
I need to get away  
I need to go on the best damned holiday!  
Need to fly away  
Fly to a better place  
Need to go on the best damned holiday!

I'm always workin  
I think it's time for a break  
Those bills keep lurking  
And I'm a walkin' mistake  
The world is turnin'  
But I'm not learnin' from wrong  
My head is churning  
And I've been dying for so long

I need to go away  
I need to get away  
I need to go on the best damned holiday!  
Need to fly away  
Fly to a better place  
Need to go on the best damned holiday!

Best damn holiday!! Best damn holiday.....

I've been waiting here  
Here for so long  
Waiting to tell you  
I'm going on a holiday  
I won't be long  
I don't know where to stay

I need to go away  
I need to get away  
I need to go on the best damned holiday!  
Need to fly away  
Fly to a better place  
Need to go on the best damned holiday!  
Best damn holiday  
Best damn holiday  
Best damn holiday  
Best damn holiday
