My hearts breaking and my
arms are shaking thanks to you
and me.
I'm left wondering what went wrong? I'm stumbling
thanks to
you and me.
Her heart falls down making no sound.

I don't want to go back home
and I don't want to be alone,
Where the only person singing
me to sleep is myself, and I.

So as I'm still falling and as she keeps calling asking:
"Who? It's not me?"
My hearts taken, and my body
breaking, thanks to you and
me.
Her heart falls down making no
sound.

I'm the only person thinking
about you now.
And the only person singing me
to sleep is myself.
