A year's gone by and I still feel the same.  
I hope that, I know that my life is gonna change.  
I'll break the trend and make some friends I say.  
I'll get rich, then get hitched, get drunk along the way.

Moving on, 'cause I know I can do better.  
And I'm feeling strong, and I know I can't try harder.  
Anymore.

So now I'm standing up for how I think.

So long, you were wrong - I do have what it takes!  
Breakdown - hold up - I'm doing great these days.  
Bad things gone from so long, only the good.  
No wrong.

Moving on, 'cause I know I can do better.  
And I'm feeling strong, and I know I can't try harder.  
Anymore.
