I called you today, but you never picked up and
I'm wasting away.

Forget the sound of your voice,
Oh this sucks.
I miss you so bad now.

This day's too long; I think I'll find hope in tomorrow.

I called you today, but this time you picked up.
Tears running down the phone.
Stuck at home.
My mouth closed, I shut up.
I miss you so bad now.

This day's too long; I think I'll find hope in tomorrow.
This day's too long; I think I'll find hope in tomorrow.

I called you today, but this time we broke up.
