[feat. Stephen Marley, Capleton & Drag-On]

CHORUS (Stephen Marley)

It was written up in the book of life  
That man shall endure forever more  
It was written up in the book of life  
That man shall endure forever more

VERSE

Well did you know the pen  
Is stronger than the knife  
They can kill you once  
But they can't kill you twice  
Did you know destruction of the flesh  
Is not di ending to life  
Fear not of the anti-christ  
Did you know that I  
Exist before the earth  
And did you know my eyes  
Are window to the world  
Did you know you can't go ah Zion  
And ah wear jerry curls  
Can't tell di boys from di girls  
Your bodies just a vehicle  
Transporting the soul  
It's what's inside people  
Is beauty to behold  
Fear not of evil  
Every day dem flesh it grow old  
Changes of the times take a toll

CHORUS

VERSE (Capleton)

BRIDGE

A vester on his chest  
And Rastafari is his name  
A gift of everlasting life

For us to all sustain  
Blessing that you all be got  
Lessons taught you all forgot  
Rasta call I shit you not  
Do you remember Elijah  
And his chariot of flames  
Same blood dat run thru my veins

VERSE (Capleton)

CHORUS

VERSE (Drag-On)

CHORUS

Watch for sticks and stones  
Stumbling blocks in piles  
Life is one big road  
Miles on top of miles  
So blessed be the soul  
That always remains a child  
And most people don't even smile  
There's a natural mystic  
Blowing in true the air  
So keep it realistic  
And always be aware  
The truth is crying out  
And it's so loud and so clear  
But most people won't even hear  
Spiritual pollution is in the atmosphere  
And with so much confusion  
Can one be happy here  
The gift of Rastafari is for all man to share  
But some would rather to be so unfair

CHORUS
