Intro:

Uhooee

Zillaaa

Hey check it

Verse 1:

Things just aint the same fi gangstas
Most of di don dem deh inna handcuffs
And most of di youth dem a ?? and dancers
Policeman weh shoot you, a leave you unconscious
Garrisons been losing sponsor
Cah most politician flake out like dandruff
Now court indictment a spread like cancers
And even the baby a tun inna monster
Road hot, Kingfish do want answers
Rollin up in da mark kingfish and lancers
A patrol increase due to circumstances
This year mi hear di ?? champions

Hook:

Things just aint the same fi gangstas
Dont trust even your close companions
Mi heard of armagideon deep like canyons

Chorus:

So all the criminals at large
Or criminal weh large
Ah rob di country blind and di corruption camouflage
And if the streets could eva talk
What's really going on
Whole heap a people would be wanted
So all the criminals at large
Or criminal weh large
Ah rob di country blind and di corruption camouflage
And if the streets could eva talk
What's really going on
Whole heap a people would be wanted

Verse 2:

Check it

Things just aint the same fi hustlers

Informers and busters living amongst us
Now every man face deh pon posters
Cyan trust people who are the closest
Hey squaddy you've been losing focus
To protect and serve cah you more provoke us
You lock off the dance when you should support us
Reggae entrepreneur, dancehall promoters

Things happen for the strangest reasons
Most of the artist cyan get Visas
And now time tuffa dan Tamarind season
Dem nah reap nuh corna and di fowl waan feeding

Hook:
Things just aint the same fi gangstas
Dont trust even your close companions
Mi heard of armagideon deep like canyons

Chorus:
So all the criminals at large
Or criminal weh large
Ah rob di country blind and di corruption camouflage
And if the streets could eva talk
What's really going on
Whole heap a people would be wanted
So all the criminals at large
Or criminal weh large
Ah rob di country blind and di corruption camouflage
And if the streets could eva talk
What's really going on
Whole heap a people would be wanted

Verse 3:
Check it hey
The whole country a strap you blame us
Now that violence get outrages
For minimum wages some young teenagers
Cyar 12 gauges and waan be famous
Dont do a politician favours
They comin all size, colors, shapes and flavours
And dem introduce to violence behaviours
And push ??? and even dem can save us
Watch di outcome how all these capers
Dem sell more pages and more newspapers
You read dem and burn dem dem turn to vipers
Meanwhile di youths dem locked in cages

Hook:
Things just aint the same fi gangstas
Dont trust even your close companions
Mi heard of armagideon deep like canyons

Chorus:

So all the criminals at large
Or criminal weh large
Ah rob di country blind and di corruption camouflage
And if the streets could eva talk
What's really going on
Whole heap a people would be wanted
So all the criminals at large
Or criminal weh large
Ah rob di country blind and di corruption camouflage
And if the streets could eva talk
What's really going on
Whole heap a people would be wanted
