We sing Lord, we've got to keep on moving
Lord, we've got to get on down
Lord, we've got to keep on grooving
Where I can't be found
Oh, Lord, they coming after me

Said, I know someday we will find a piece of land
Somewhere far, far from Babylon
The war will soon be over and I and I will unite
The children who liveth in darkness
Have seen the great light

It's all about love and affection
All about the repatriation
All about I and I freedom
Wey dem a go do, chuh

It's all about the Solomon wisdom
All about the good Holy Kingdom
All about the few that's chosen
Wey dem a go do, well

These are the times yuh better know yourself
Big up Ragamuffin' 'cause you full up of strength
Leave all the masses by a donkey length
So pray daily so we life of lent

Bless my eyes today as I would say
Some only pray when the skies are gray
I said, bless my eyes today as I would say
Some only pray when the skies are gray

I know someday we will find a piece of land
Somewhere far far far from Babylon
Then we will be together in love and unity
Then we will be together in Mt. Zion

It's all about love and affection
All about the repatriation
All about I and I freedom
Wey dem a go do, chuh

All about the Solomon wisdom
All about the good Holy Kingdom
All about the few that's chosen
Wey dem a go do, well

These are the times yuh better know yourself
Big up Ragamuffin', 'cause you full up of strength
Leave all the masses by a donkey length
Pray daily so we life on lent

Bless my eyes today as I would say
Some only pray when the skies are gray
I said, bless my eyes today as I would say
Some only pray when the skies are gray

I've been accused on my mission
Lord, knows I didn't do
The enemy, they were willing, yeah, yeah, yeah
And that's why I've got to get on through
Lord, they're gunning after me

And I know someday, find a piece of land
Somewhere far, far, far from Babylon
Then we will be together in peace and harmony
Then we'll be together in Mt. Zion

It's all about love and affection
All about the repatriation
All about I and I freedom
Wey dem a go do, chuh

All about the Solomon wisdom
All about the good Holy Kingdom
All about the few that's chosen
Wey dem a go do, well

These are the times yuh better know yourself
Big up Ragamuffin', 'cause you full up of strength
Leave all the masses by a donkey length
Pray daily so we life on lent

Bless my eyes today as I would say
Some only pray when the skies are gray
I said, bless my eyes today as I would say
Some only pray when the skies are gray

[Incomprehensible]

It's all about love and affection
All about the repatriation
All about I and I freedom

Wey dem a go do, chuh
