Well if the girl is talking slow  
I wander in and out oh no no no  
She looks to me, she wants to know  
This music is to loud oh no no no

Some sweets, some dress, some, some Sweets, so I  
don't know anything,  
When i give in!

Oh Animator!  
Animator! Animator! Animator!  
Animator! Animator! Animator!  
Animator! Animator! Animator!

She takes my hand, she lets me know  
My timing is all wrong oh no no no  
So ready to when, the lights are low  
We kiss for way too long oh no no no

Some sweets, some dress, some, some Sweets, so I  
don't know anything,  
When i give in!

Oh Animator!  
Animator! Animator! Animator!  
Animator! Animator! Animator!  
Animator! Animator! Animator! (x2)

Ooooooooooooooh  
Ooooooooooooooh

Hiding in the bedroom where she found me  
How i really hoped that she was sleeping  
Now's the time to tell her its just goodbye  
Still there's a part of me thats holding out for  
Promises and Passion and Affection  
But she has no idea what any of those mean!

Oh Animator!  
Animator! Animator! Animator!  
Animator! Animator! Animator!  
Animator! Animator! Animator!

Oh Animator!  
Animator! Animator! Animator!  
Animator! Ani-Ma-Tor!  
Animator! Animator! Animator!
