It's late
Oh I'll tell you straight
you screw this up
and I'll make you pay

Tonight
fuck your stagefright
you do your job
and I'll do mine

Now the lights are as high as I can have them
'cause images are significant
the clothes have yards of flesh between them
so I'll be rich before youre on the stage

If this demon has it's way with me
he wants a hit in record time please
he'll kill me when I hit my peak
'cause dead singers mean the money keeps rolling in
rolling in

Lose weight
so buy smaller plates
and eat standing up
never purge in day

Now the lights are as high as I can have them
'cause images are significant
the clothes have yards of flesh between them
so I'll be rich before youre on the stage

If this demon has it's way with me
he wants a hit in record time please
hell kill me when I hit my peak
'cause dead singers mean the money keeps rolling in
rolling in

Sit down
you needn't shout
I'll make these rules
you play them out

Now I'm back stage and holding water
Remember our last discussion dear?
if I get half it's not important
'cause I'll be here as long as you can pay

If this demon has it's way with me
he wants a hit in record time please
he'll kill me when I hit my peak
'cause dead singers mean the money keeps rolling in
rolling in
rolling in
yeah
