How,
C-c-c-c-c-could i
Define the better, better, excuse for a man

So why,
S-s-s-s-s-should i
Allow the whisperings of criticism

Nobody wants
It's just a look of despair
I sleep on my breach
It still is not good enough for them,

Until the end,
I'd like to keep up with the pretense,
I won't make that mistake again

Now,
Now that the pressure's immense
Kind or evil, let me have it
It's so hard,
Y-y-y-yeah
We're putting in, but we said we never meant it

Nobody wants
It's just a look of despair
I sleep on my breach
It still is not good enough for them,

Until the end,
I'd like to keep up with the pretense,
I won't make that mistake again

So.
Why not quit ?
Being a man,
Isn't always best for me

I won't make,
I won't make,
I won't make,
That mistake
