Oh I know I don't own you / but I don't even know if I
should phone you / someone sending
Me letters / saying you've been going with other fellers
/ and they / bored you / but I /
Don't wanna cry / or talk for hours / to a machine / on
the end / of a telephone line / oh
It just kills me / when all you've got to do is call / oh do
it any time / 'cause there's
Never no-one home / never no-one home / leave your
message on the ansaphone / I'm not
Trying to be clever / but at least we're not still living
together / all those calls in
The evening / if I answered they'd hang up without
speaking / and they / bored you / but i
/ don't want to cry / or talk for hours / to a machine / on
the end / of a telephone line
/ oh it just kills me / when all you've got to do is call / oh
do it any time / 'cause
There's never no-one home / never no-one home /
leave your message on the ansaphone /
[beep!] / 'hello, it's me. I just wanted to call and say it
doesn't matter what you
Get up to. I just want you to stay in touch. that's all.' /
are you really not at
Home? / or are you there but not alone? / screening
calls / you don't want to receive /
Meaning calls / calls that come from me / oh I / need to
see you / it's not enough for me
Just to hear you / you said you'd be here by ten thirty /
but you want to stay out and be
Dirty / oh it just kills me / when all you've got to do is
call / oh do it any time /
'cause there's never no-one home / never no-one home
/ leave your message on the
Ansaphone.
