Well we were born within one hour of each other. our  
mothers said we  
Could be sister and brother. your name is deborah.  
deborah. it never  
suited ya. oh they thought that when we grew up we'd  
get married,  
never split up. we never did it although often I thought  
of it. oh  
deborah do you recall. your house was very small with  
wood chip on  
the wall. when I came around to call you didn't notice  
me at all. I said  
let's all meet up in the year 2000. won't it be strange  
when we're all  
Fully grown. be there at 2 o'clock by the fountain down  
the road. I never  
knew that you'd get married. I would be living down  
here on my own on  
that damp and lonely thursday years ago. you were the  
first girl at  
school to get breasts. martyn said that yours were the  
best. the boys  
all loved you but I was a mess. I had to watch them  
trying to get you  
undressed. we were friends but that was as far as it  
went. I used to  
walk you home. sometimes it meant nothing to you  
cause you were so  
very popular. ah deborah do you recall. your house was  
very small  
with woodchip on the wall. when I came around to call  
you didn't notice  
me at all. I said let's all meet up in the year 2000. won't  
it be strange  
when we're all fully grown. be there at 2 o'clock by the  
fountain down  
the road. I never knew that you'd get married. I would  
be living down  
Here on my own on that damp and lonely thursday  
years ago. oh yeah,  
oh yeah. and now you've paid your money and you've

taken your  
Choice. I know we'll never meet again but I want you to  
know, want you  
to know that I remember every single thing. ah do you  
recall. your  
house was very small with wood chip on the wall. when I  
came around  
to call you didn't notice me at all. I said let's all meet up  
in the year

your baby. ohhh
