On the night that I was leaving, the moon rose in the
sky
As I came to fetch my suitcase and then you began to
cry
I've never seen you look so ugly as the way you did that
night
That night was eighteen months ago
Now I'm two hours from the station
Yeah I'm coming home again
I'm gonna show this town who's master soon as I get
off this train
You're gonna love me more than ever and the sun will
shine again and I will kiss your face
And I will make you smile again and then the whole
damn town will come on out to welcome
Me
Oh they will open all the doors and give it all to me
Oh no but still your voice is ringing in my ears
Don't you want me anymore? Don't you want me
anymore?

And I can't I can't believe it's happening
I know that oh there must be some mistake
You've found yourself another lover and you're glad we
made the break
Oh you don't even you don't even want to see me
You just wanna wave and say 'Goodbye. Go away now,
and leave us alone
No this house is not your own.'
Yeah
And now the whole damn town has come around to
laugh at me
Oh yeah Oh they can stare for evermore; you do not
care for me
Oh no Oh they can stare now for a hundred thousand
years
Don't you want me anymore?
Don't you want me anymore?
Don't you want me anymore?
Don't you want me anymore?
