The room is cold,
And has been like this for several months.
If I close my eyes,
I can visualise everything in it,
Right down, right down to the broken handle on the
third drawer down
Of the dressing table.
And the world outside this room,
Has also assumed a familiar shape,
The same events shuffled in a slightly different order
each day.
Just like a modern shopping centre.

And its so cold - yeah its so cold.
Its so cold yeah, its so cold.
What is this feeling called love.
Why me, why you, why here, why now.
It doesnt make no sense no.
Its not convenient no.
It doesnt fit my plans no.
Its something I dont understand oh.
F.e.e.l.i.n.g. c.a. double l.e.d. l.o.v.e.
Oh what is this thing that is happening to me.

And as Im standing across this room,
I feel as if my whole life has been leading to this one
moment.
And as I touch your shoulder tonight,
This room has become the centre of the entire
universe.
So what do I do? Ive got a slightly sick feeling in my
stomach,
Like Im standing on top of a very high building, oh
yeah.
All the stuff they tell you about in the movies,
But this isnt chocolate boxes and roses.
Its dirtier than that,
Like some small animal that only comes out at night.
And I see flashes of the shape of your breasts,
And the curve of your belly,
And I may have to sit down and catch my breath.

Oh. what is this feeling called love.
Why me, why you, why here.
And why now.
It doesnt make no sense no.
Its not convenient no.
It doesnt fit my plans,
But I got that taste in my mouth again oh.

Oh yeah, oh yeah, oh yeah, oh yeah.
