If you stay out all nite that's alright by me / but if you  
must kiss those guys you could  
At least clean your teeth / I don't mean to put you down  
/ but you've taken everything  
That I own / don't tell me you want some more 'cos I'm  
closed / who is this laughing boy  
Who ladders your tights? / please tell him to cut the  
noise / 'cos it's spoiling my nites  
/ I just want to get some rest / and he's talking to his  
ma on the phone / well, if he's  
So homesick he can go home / I don't need this  
anymore / and it's written in the stars i  
Must go / and will I come back for more? / I don't know /  
I don't know.
