No wonder you're looking thin  
When all that you live on is lipgloss and cigarettes.  
And scraps at the end of the day  
When he's given the rest to sommetaeone with long  
black hair.  
All those nights in, making such a mess of the bed.  
Oh you never ever want to go home.  
And he wants you so you may as well hang around for  
a while,  
Call your dad on the phone.  
He changed his mind last Monday, so you've gotta  
leave by Sunday, yeah.  
You've lost your lipgloss Honey  
Oh yeah.  
Now nothing you do can turn him on, there's something  
wrong.  
You had it once but now it's gone.  
And you feel such a fool for laughing at bad jokes  
And putting up with all of his friends and kissing in  
public.  
What are they gonna say when they run into you again?  
That your stomach looks bigger and your hair is a mess  
And your eyes are just holes in your face.  
And it rains every day and when it doesn't,  
The sun makes you feel worse anyway.  
He changed his mind last Monday, now you've gotta  
leave by Sunday, yeah.  
You've lost your lipgloss Honey, Oh yeah.  
Now nothing you do can turn him on, there's something  
wrong.  
You had it once but now it's gone.  
Though you knew there was no way it was gonna last  
for ever  
It still shook you when he told you in a letter that he  
didn't wanna see you.  
You nearly lost your mind, Oh yeah.  
You've lost your lipgloss  
Honey, Oh yeah.  
Now nothing you do can turn him on, there's something  
wrong.  
You had it once but now it's gone, Oh yeah.

You've lost your lipgloss Honey, Oh yeah  
Now nothing you do can turn him on, there's something  
wrong.  
You had it once but now it's gone. Oh yeah.
