

Pulnoc **"Strange"**

Visit "[Strange](#)" on MotoLyrics.com

(Milan Hlavsa/Jan Koubek)

Strange is the evening bell

Strange is the warning

Strange is the crying out

Strange is the visit

Strange is the meeting

Strange is the welcome

Strange are the friends

Strange am I myself

Strange is this banquet

Strange is this silence

Strange is this coincidence

Strange is this undulation

Strange is this longing

Strange is this drowsiness

Strange are these curses

Why does it have to be me?
