You look just like Sylvia, well you look like her to me  
The way she wore her hair then, oh, the way she used  
to be  
I've not seen her for a long time, though I've heard  
she's still around  
Her father's living with some girl who's a year younger  
than her  
She's living in the country now, yeah, oh, she's trying to  
get better  
Her beauty was her only crime, yeah, I remember  
Sylvia

So keep believing and do what you do  
I can't help you but I know things are gonna get better  
And please stop asking what it's got to do with you  
Oh, keep believing cos you know that you deserve  
better  
Who's this man you're talking to, can't you see what he  
wants to do  
He thinks if he stands near enough then he will look as  
good as you  
Oh, he don't care about your problems, he just wants to  
show his friends  
I guess I'm just the same as him, I just didn't know it  
then  
I never understood you really and I know it's too late  
now  
You didn't ask to be that way, oh, I'm sorry Sylvia

So keep believing and do what you do  
I can't help you but I know things are gonna get better  
And please stop asking what it's got to do with you  
Oh, keep believing cos you know that you deserve  
better  
Oh, it's true yeah

So please stop asking what it's got to do with you  
Oh, keep believing cos you know that you deserve  
better  
Yeah you know that you deserve better  
Oh you know that you deserve better

Oh Sylvia
