All day / I'm doing fine / 'cos there are things / to pass
the time / smoke a cig / and
Drink some tea / watch a programme / on tv / I just
don't care where you are now / 'cos
I'm sorted out, and how / I've got it all set up you see /
but when I close my eyes it
Happens to me / you're a nightmare / and you've made
it all wrong / you're a nightmare to
Me / oh hoh / you're a nightmare / oh and I just can't
see / why you should keep on
Happening to me / oh yeah / aah / well it stopped some
time in may / whilst you were still
Away / was I in bed or on a bus / doing something
pathetically ridiculous? / I never
Noticed it at first / but when you came back it got worse
/ it's the idea of you, you see
/ when I close my eyes it happens to me / oh you're a
nightmare / and you've got it all
Wrong / you're a nightmare to me / oh hoh / you're a
nightmare / and I just can't see /
Why you should keep on / happening to me / you're a
nightmare / and you've got it all
Wrong / you're a nightmare to me / oh hoh / you're a
nightmare / and I just can't see /
Why you should keep on / happening / happening to me
/ oh oh oh / and there were hotel
Bedroom birthdays / sleep in factory hallway / I
remember always yeah there were hotel
Bedroom birthdays / and sleep in factory hallway / I
remember always / why do you keep on
/ hanging round / can't you see it gets me down? /
because when I look at you I see /
Somebody I just don't want to be / oh woh you're a
nightmare / and you got it all wrong /
You're a nightmare to me / oh hoh / you're a nightmare
/ and you just can't see / why you
Should keep on / happening to me / you're a nightmare
/ and you've got it all wrong / yeah
You're a nightmare to me / oh hoh / you're a nightmare
/ and I just can't see / oh why why
You should keep on / happening to me / you're a

nightmare / and you've got it all wrong /
Oh you're a nightmare to me / oh hoh / you're a
nightmare / oh and I just can't see / why
You're / why you're / you're always hanging around /
you're always hanging round / you're
Always hanging around / you're always hanging round
/ you're always hanging round / you're
Always hanging round / you're always hanging round /
you're always hanging round.
