You're scratching my face  
Don't do that again...  
You said I belong to you, and not him  
I walk like a crane  
With you on my mind  
I'm chasing my mind  
I'm losing my mind

I disappear, and..

Everyone sees  
That I don't understand  
Incapable off  
Take it like man..

I'll sing, but not now  
Seven sees, all gone  
Baby, I'm working on a line  
So sore  
All mine

Everyone seems  
All locked up, and closed  
But what you've just said..  
Is what hurts me the most.  
I cover my ears  
Pretend that I'm dead  
I never belonged, I did it again..

I disappear, and
