On the night that I was leaving the moon rose in the sky
As I came to fetch my suitcase and then you began to
cry
I've never seen you look so ugly as the way you did that
night
That night was eighteen months ago

Now I'm two hours from the station
Yeah, I'm coming home again
I'm gonna show this town who's master
Soon as I get off this train

And you're gonna love me more than ever
And the sun will shine again
And I will kiss your face
And I will make you smile again

And then the whole damn town
Will come on out to welcome me
Oh, they will open all the doors and give it all to me
Oh no, but still your voice is ringing in my ears

Don't you want me anymore?
Don't you want me anymore?

And I can't, I can't believe it's happening
I know that oh there must be some mistake
You've found yourself another lover
And you're glad we made the break

Oh, you don't even, you don't even want to see me
You just wanna wave and say
"Goodbye, go away now, and leave us alone
No this house is not your own"

Yeah

And now the whole damn town has come around to
laugh at me
Oh yeah oh, they can stare for evermore
You do not care for me
Oh no oh, they can stare now for a hundred thousand

years

Don't you want me anymore?
Don't you want me anymore?

Don't you want me anymore?
Don't you want me anymore?
