There's nothing to do, so you just stay in bed  
Oh, poor thing  
Why live in the world  
When you can live in your head?

Mmm, when you can go out late from Monday  
Till Saturday turns into Sunday  
And now we're back here on Monday  
So you can do it all over again

And we go  
Aah ah ah, aah ah ah  
Aah ah ah, aah ah ah  
Aah ah ah, aah ah ah  
Aah ah ah, aah ah ah

Ah, I want a refund  
I want a light  
I want a reason  
To make it through the night, alright

And so you finally left school  
So now what are you going to do?  
Now you're so grown up  
Yeah you're oh oh oh oh oh so mature oh

Goin' out late from Monday  
Ch-ch-chuck up in the street on Sunday  
You don't want to live till Monday  
We gotta do it all over again  
And you go

Aah ah ah, aah ah ah  
Aah ah ah, aah ah ah  
Aah ah ah, aah ah ah  
Aah ah ah, aah ah ah

I want a refund  
I want a light  
And I want a reason for all this night  
After night after night after night, ow

Oh I know that it's stupid but  
I just can't seem to spend a night at home  
'Cos my friends left town  
And I'm here all alone  
Ho, ho

Yeah  
They say the past must die  
For the future to be born  
In that case die little, die  
(Ho ho ho hoo ohh)  
(Ho ho ho hoo ohh)  
(Ho ho ho hoo ohh)  
C'mon  
Aaah

Stomach in  
Chest out  
On your marks  
Get set, go

Now, now that you're free  
What are you goin' to be?  
And who are you goin' to see?

And where, where will you go?  
And how will you know?  
You didn't get it all wrooong

Is this the light of a new day dawning?  
A future bright that you can walk in  
No it's just another Monday morning  
Do it all over again, oh baby

Laa la la la laa  
Ala la la la laa  
La la la la la la  
Ah, ah, ah  
Laa la la la laa  
La la la la laa  
La la la la la la  
Ah, ah, ah

Do do do do do do do  
[incomprehensible]  
Do do do do do  
[incomprehensible]  
Do do do doo  
[incomprehensible]  
Do do do  
[incomprehensible]

Do do do do do do do  
[incomprehensible]  
Do do do do do  
[incomprehensible]  
Do do do doo  
[incomprehensible]  
Do do do
