I know I'm getting on / and you're so very young / but  
would you like to stay  
until next Saturday / or Sunday?  
I'll give you your own room / it's next door to my room  
and some time in the night / well, maybe I just might  
Oh take your clothes off won't you please?  
You don't have to talk to me / just leave the light on so I  
can see  
You've got everything I need / Oh yeah  
You know I can't forget / that special night we met / at  
the local P.T.A.  
when your mother came to say / that you'd been taking  
days off school  
I turned and looked at you, I said  
"Yes, I understand / I'm gonna take this girl in hand."  
Oh take your clothes off, one two three  
No you don't have to talk to me / just leave the light on  
so I can see  
You've got everything you need / Oh yeah  
'Cause I've never had a woman before  
I was too scared to touch the girls in the Poly

And I don't know what it's like to be young  
'Cause all my life I've been knocking on forty  
Oh yeah / Oh yeah / Oh yeah / Oh yeah  
[Jarvis:] So if I / put my hand / on your bosom...  
[Candida:] Yeah?  
[Jarvis:] ...would that / give you an orgasm?  
No that's not right / But, but if we / if we kissed with  
tongues  
[Candida: giggles]  
[Jarvis:] won't that / wouldn't that make / wouldn't that  
make you come?  
Oh take your clothes off won't you please? / No you  
don't have to talk to me  
just leave the light on so I can see / You've got  
everything I need  
Oh oh oh / Just one touch was all it took  
No you can't learn it from a book / Let's go upstairs and  
have a / look  
Oh you've got everything I need / Oh yeah / Oh yeah, oh  
yeah

Oh yeah, oh yeah / Oh yeah / Hit me.
