Here in the night love takes control. Making me high,  
making me low. I don't  
know. Oh no no no. No I don't know. No no no. No I don't  
know. When I close  
my eyes I can see you lowering yourself to my level. I  
don't know where you  
got those clothes, you can take them off if it makes you  
feel better.  
Don't stop it now. Now is so right. Now as the day slips  
away & we slide  
into night. I don't know. Oh no no no. No I don't know.  
No no no. No I don't  
know. I open my eyes & you're there, even better in the  
flesh it would seem.  
I'm so ready and willing & able it's untrue, to act out my  
love scene & make  
my dreams come true. & how many others have  
touched themselves whilst  
looking at pictures of you? How many others could  
handle it if all of their  
dreams came true? I don't expect you to answer  
straight away, maybe you're  
just having an off day but I need to believe in you. Yes I  
do. Yes I do.  
Oh I want you here in my heart. Here in my head. Live  
all your dreams for  
tonight here in your bed. I don't know. Oh no no no. No I  
don't know. No no  
no. No I don't know. So roll the soundtrack and dim the  
lights 'cos I'm not  
going home tonight. This love scene has begun.  
There's nothing left to do

but for us get it on. Lets make it the greatest love scene  
from a play  
no-one's thought up yet. I know you're feeling the same  
as me, but what are  
you gonna do about it? No here's an exclusive: I've  
wanted you for years, I  
only needed the balls to admit it. When the  
unbelievable object meets the  
unstoppable force there's nothing you can do about it.

No. I will light your  
cigarette with a star that has fallen from the sky.  
Breathe in, breathe out,  
I love the way you move. Don't let anyone tell you  
anything different  
tonight. You're beauty, you're class, you showed it all  
but you still kept a  
little piece back just for me. A little piece back just for  
me. Oh I don't  
know the way you do it, but I love the way you do it,  
when you're doing it  
to me. & if this is a dream then I'm going to sleep for  
the rest of my life.  
For the rest of my life. For the rest of my life. For the  
rest of my life.
