Here in the night
Love takes control
Making me high
Making me whole

Here in the night
Love takes control
Making me high
Making me whole

I don't know
Oh, no, no, no
No I don't know
No, no, no
No I don't know

When I close my eyes I can see you
You're lowering yourself to my level
I don't know where you got those clothes
You can take them off if it makes you feel better

Don't stop it now
Now is so right
Now as the day slips away
And we slide in tonight

I don't know
Oh, no, no, no
No I don't know
No, no, no
No I don't know

I open my eyes and you're there
Even better in the flesh it would seem
I'm so ready and willing and able, it's untrue
To act out this love scene
And make my dreams come true
And how many others have touched themselves
Whilst looking at pictures of you?
How many others could handle it
If all their dreams came true?

I don't expect you to answer straight away
Maybe you're just having an off day
But I need to believe in you
Yes I do, yes I do [Incomprehensible]

I want you here in my heart
Here in my head
Live all your dreams for tonight
Here in your bed

I don't know
Oh, no, no, no
No I don't know
No, no, no
No I don't know

So roll the soundtrack and dim the lights
'Cause I'm not going home tonight
This love scene has begun, so let's get it on
Let's make this the greatest love scene
From a play no one's thought up yet
I know you're feeling the same as me
But what you gonna do about it?
Now here's an exclusive

I've wanted you for years
I only needed the balls to admit it
When the unbelievable object
Meets the unstoppable force
There is nothing you can do about it, no

I will light your cigarette
With a star that has fallen from the sky
Breathe in, breathe out
I love the way you move
Don't let anyone tell you any different tonight
You are beauty, you are class
You showed it all
But you still kept a little piece back just for me

A little piece back just for me
Just for me
Oh, I don't know how you do it
But I love the way you do it
When you're doing it to me

If this is a dream
Then I'm goin' to sleep for the rest of my life
For the rest of my life
For the rest of my life
For the rest of my life
