Squat parties at home
Consider, as they were my own
Cause who you're dealing with is on crack
The vehement was too heavy
So I had to go back!

Stucked-stucked-stucked

Pulsating mull (tic, tic, tic)
I act, I'm in control (no, no, no..)
But when she lights up the fireplace
I'm stucked, deaf, blind.. I'm insane!

Don't push me
Don't push me
I'm open

Lalalala

I won't play
It's Game Off
I won't play...

Lalalala
