You look just like Sylvia: Well you look like her to me-
the way she wore
her hair then. Oh, the way she used to be. I've not seen
her for a long
time, though I've heard she's still around. Her father's
living with some
girl, who's a year younger than her. She's living in the
country now, yeah.
Ohm she's trying to get better. Her beauty was her only
crime. Oh I
rememeber Syliva.
So keep believing & do what you do. Oh I can't help you
but I know things
are gonna get better. & please stop asking what it's got
to do with you.
Oh, keep believing 'cos you know that you deserve
better.
Who's this man you're talking to? Can't you see what he
wants to do. He
think if he stands near enough, he'll look as good as
you. Oh, he don't care

about your problems, he just want's to show his friends.
I guess I'm just
the same as him- I just didn't know it then.
I never understood you really. And I know it's too late
now. You didn't ask
to be that way. oh, I'm sorry Sylvia.
So keep believing & do what you do. Oh I can't help you
but I know things
are gonna get better. & please stop asking what it's got
to do with you.
Oh, keep believing 'cos you know that you deserve
better. Oh, Sylvia.
