No, that dress is no Gaultier
All is erupting in me
I completely sucked myself up to you

I feel qualified cold
And it swallowed me whole
Her clothes in rags, and all is dirty

Here, come here.. oh here (2x)

I must stay awake
When I'm falling asleep
I refuse to say, that I was staring

Now you're pulling me close
A healthy overdose
A healthy overdose on me

Ah ! Oh ! (4x)

Coupl.1+2

Here, come here (2x)

Ah! Oh !
