I never was sorry And I'll never be free On the day that our worries For always will be

I ripped down the curtains It's time to face up All believes and my worries I will never give up

My heart beat is stronger And I see in your eyes I never should worry You tell my no lies

[Yeeeaaahhh!]

I ripped down the curtains It's time to face up All believes and my worries I will never give up

My heart beat is stronger And I see in your eyes

I never should worry You tell my no lies
