Gimme cocaine gime cocaine  
So that I won't feel no pain  
Gimme cocaine gimme cocaine  
Put my brain under the drain  
We're on our way we're on our way  
We're on our way to overdose  
Gimme cocaine gimme cocaine  
'till i get a brand new nose

Gimme cocaine gime cocaine  
'Till I get a brand new brain  
Gimme cocaine gimme cocaine  
Put my brain under the drain  
We're on our way we're on our way  
We're on our way to getting stone  
Gimme cocaine gimme cocaine  
'till at last the work is done
