I got some bad news for you babe
Tonight I'm on a trip
I'm gonna watch my TV
I'm gonna watch her on TV
I'm gonna spank the monkey
I'm gonna spy her on TV
Home of the holy holy holy
Mother daughter naughty Coralie

Holy Trinh Thi Holy Holy
I can't wait for my Holy Trinh Thi
Holy Trinh Thi Holy Holy
I can't wait for my Holy Trinh Thi
And what I see is what I get
And what I get is what I see
Spank The monkey, Spank it now
Spank The monkey, Spank it now
