Mothra Lady acid bite
her eyes like weapons under neon light
she's like a gun cos' might is right
assault and battery on your helpless anatomy
glam-glam bullet, glitter pill
aim to please - shoot to kill !

she's gonna fry your head like a pancake in butter
she's gonna drop you dead she's gonna make no
quarter

Mothra on her acid bike
Mothra trippin'on her acid spike
neon light - she gets what she likes
crawling dum-dum queen - a mouthful of sin
Mothra Lady acid lick
double trouble, leather kick !
Pick me up, I'll take some peek - (pic) - ture of you
who's fucking who ?

Hot sex doll from the Tiger crew
click on this and peek-a-boo !
crawling dum-dum queen - a mouthful of sin
glam-glam bullet glitter pill
