Here you come  
Waiting for salvation  
Gimme a minute  
And nothing will remain  
It's like a drug you know  
Shadow low low low  
It's like a drug you know  
It'm like a drug you know

Here you come  
Eager for illusion  
Gimme a minute  
And no mind will remain  
It's like a drug you know  
Shadow low low low  
Like it's always been  
Know what I mean?  
Shadowsteelplastic  
Levitation logic  
Guru on elastic  
Antimatter lipstick  
Shadowsteelplastic

See everyone come  
Drinking my religion  
Gimme a minute  
And no one will remain  
It's like a drug you know  
Shadow low low low  
Destruction as a wow  
See it coming slow

Shadowsteelplastic  
Levitation logic  
Guru on elastic  
Antimatter lipstick  
Shadowsteelplastic

As I walk in the valley of the shadow of steel  
As I walk in the valley of the steel of the shadow  
Shadow  
Shadow
